

Wiltshire Musical Instrument Hire Scheme

The purpose of the scheme is to make instruments accessible to children and young people in a way that supports their participation and progression particularly when first starting and / or where the cost of purchasing an instrument may limit a young person's ability to participate.

The instruments we can provide are serviceable and suitable for young musicians; they are not all brand new, shiny and pristine. There are other places you can hire brand new instruments but they cost a lot more!

The scheme is administered on behalf of Wiltshire Music Connect by Wiltshire & Swindon Learning Resources (WSLR) within Wiltshire Council. A Steering Group of stakeholders, supported by Wiltshire Music Connect, oversees its development and helps make decisions about the scheme.

We are trying to make this scheme self-sustaining - meaning that, over time, it should become able to re-invest in stock and continue providing instruments for young people regardless of any potential cuts in funding. **To make this work, we need those who use the scheme to support the 'spirit' in which it's being run and to try to help it run as smoothly as possible.**

Whilst the scheme needs to generate income and meet costs, support with costs is available for those who need it. This is provided through Wiltshire Music Connect.

Who can use it?

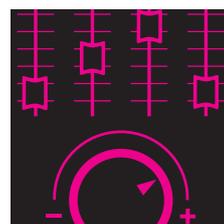

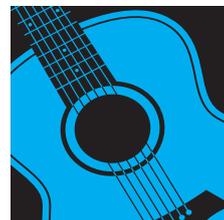

- **Instruments can be hired for pupils receiving instrumental tuition in / through Primary, Secondary and Special Schools in Wiltshire.** This includes Council supported Schools, Academies, Faith and / or 'Private' Schools.
- **Instruments are only available where tuition is being provided by one of Wiltshire Music Connect's growing pool of quality assured Associate Tutors / Organisations.** Please follow the link to see this list which is growing weekly.

If you have a tutor in mind who is not an Associate of Wiltshire Music Connect and you want to use this scheme, you can point them towards the [process for 'applying' to be one](#). We cannot process requests for support from non-Associates.

What will it cost?

Please see the chart on Page 3 and info about support with the cost on page 2.

Charges apply to an academic year in whole or in part. A hire starting mid-year incurs the same charge as one for 12 months.

I think we might need help with the costs...

As with Instrumental and Vocal Tuition (see separate sheet), we know some families need help with the costs of instrument hire.

We can offer the following:

- **100% reduction** for pupils eligible for **Pupil Premium** (inc those entitled to **Free School Meals**).
- **100% reduction** for pupils with **Special Education Needs and / or a Disability**.
- **100% reduction in fees for pupils who are Looked After / In Care (LAC)** – this is through a partnership with Wiltshire Virtual School.
- **50% reduction for pupils who schools classify as vulnerable for other reasons** and who are **unlikely to be able to take up (or continue) lessons** as a result of economic or social circumstances. This is at your school's discretion.

How does booking an instrument (and requesting support with the costs) work?

Requests for Instruments need to come from Associate Tutors.

- **Tutors submit a request on your behalf** including any request for a reduction in hire costs. They may need to check with your school about eligibility. You will need to give them an active email address.
- Availability is checked.

You are emailed to confirm availability and to ask you...

- To make a payment (if one is required)
- To agree with Terms and Conditions which include taking responsibility for the instrument whilst in your / your family's possession including any maintenance / repairs or replacement of strings / reeds. You may want to make sure you have appropriate insurance cover.
- **Once you have agreed to the Terms and made the payment** (if applicable) the status of your order is confirmed.
- **The instrument will be delivered to your child's school by an agreed date** or if your request has been processed after a certain date you may need to collect it from Wiltshire & Swindon Learning Resources in Trowbridge. All instruments will be checked before they're issued and will come out ready for immediate use. *(Clarinets and saxophones will be supplied with a standard reed. Oboes and bassoons will not be issued with reeds. It is the responsibility of the hirer to replace any broken or worn out reeds).*

Or

- **If you're already hiring an instrument you can keep it over the summer** if you pay by an agreed date – Associate Tutors have details.

I have other questions - what about....

Please check the [Wiltshire Music Connect website](#) for Frequently Asked Questions (FAQS).

If you really can't find what you need, your next point of call should be the Associate Provider/Tutor. If they are unable to answer your query you can contact WSLR directly at WSLRInstrumentLoans@wiltshire.gov.uk

Other instrument sources

Our partners at [Wiltshire Rural Music School](#) can provide access to some types/levels of instruments and both [Salisbury Area Young Musicians](#) and [Wiltshire Young Musicians](#) have some instruments available for young musicians attending their groups/clubs. Their offers are separate to this scheme.
